Millennium Project Internship

Offering a 2 month internship. Prefer graduate students but will accept undergraduate students or those in mid-career changes who are interested in global future issues. Interns have the opportunity to work on activities related to the UN and to futures research. UN work includes reading UN research and representing the Director at meetings, and general office support. The Millennium Project work includes updating and improving 15 Global Challenges for the annual "State of the Future" report, improving the web site, searching Internet to contribute to research on the future of environmental security, science & technology, global scenarios, and to identify leading minds in various fields. Those more interested in methodology can help update "Futures Research Methodology." And there is general support work like monitoring project listservs, data entry, check draft texts for errors, translation of mail, and reviewing new software for project applications. The requirements change from month to month.

Ashton Virgin Sun Grown Cigars

(VSG) Extremely Limited

Box of 24 - 7" x 49 ring

The Ashton VSG is downright plain and simple an extraordinary cigar. The worldwide demand for VSG is so humongous that we can sell customers

no more than 12 single cigars per month. Talk about limited! Blended by Carlos Fuente Jr. from the finest and most diligently aged Dominican tobaccos, the VSG is highlighted by its rare Ecuadorian sun-grown wrapper. This wrapper is like freshly brewed Kona coffee; deep and dark with a fabulous flavor and aroma. Taste wise the VSG is full-bodied and rich with well-rounded notes of leather and cedar. It is strong and potent, yet smokes without any harshness. Since its debut in 1999, the VSG has consistently rated among the best in the business by cigar journalists and consumers alike.

Ashton Classic Double Magnum Cigars

Box of 25 – 6" x 50 ring

Over the years, Ashton has flourished into one of the world's premier cigar brands. Just about everyday we hear from cigar enthusiasts who are loyal die-hard Ashton smokers, and overall Ashton sales continue to increase year after year. It's remarkable. The Ashton Classic is the bedrock of the Ashton family. This is a luxurious cigar handmade in the Dominican Republic in the legendary Fuente factory. A delicious assortment of super-aged Dominican tobaccos rest inside the confines of a beautiful blonde Connecticut shade-grown wrapper. These wrappers are pristine with an almost velvet-like smoothness. The flavor is mild to medium-bodied with tender notes of oak and espresso beans. The Fuente family takes great pride in the manufacturing of Ashton and it shows. These cigars boast superb construction and unforgettable flavor that keeps happy customers coming back for more. If you are yet to try an Ashton Classic, we recommend that you deprive yourself no longer. Discover this fantastic cigar for yourself!
